

COMPANY OVERVIEW

Guardian 8 Holdings, through its wholly owned subsidiary, Guardian 8 Corporation, develops and manufactures innovative personal security devices designed to deliver layered defense for low-impact de-escalation and risk mitigation. Its initial product, the G8 Pro V2 leverages a thoughtful collection of Enhanced Non-Lethal technologies including a Laser Spotter, Alerting Siren, Camera, Strobe Light and O.C Spray to give security guards a single solution for effectively defending against aggressive subjects over 10 feet away. The unit's inherent risk mitigation capabilities are further enhanced through use of a Bluetooth® driven Command Center Communication Link and Incident Recording Capabilities. The company focuses on marketing its personal defense solution to professional security organizations, as well as individuals and families. Guardian 8 Holdings is based in Scottsdale, Arizona.
