CES Synergies Selected for Remediation and Demolition Services for Suwannee County, Florida

CRYSTAL SPRINGS, Florida, October 15, 2015 /PRNewswire/ --

CES Synergies, Inc. (OTC:CESX) ("CES" or the "Company"), a full service environmental, asbestos abatement and demolition company, announced today that its subsidiary, Cross Environmental Services, Inc., recently received a contract for remediation and demolition services for three Suwannee County buildings totaling 18,000 square feet in downtown Live Oak, Florida. This contract follows a successful demolition of another Suwannee County building in 2014.

John Tostanoski, CEO of CES Synergies stated, "Having recently completed a similar project for Suwannee County, we have successfully secured another project that will improve the downtown Live Oak corridor. The project combines both of CES' specialties of remediation and demolition."

About CES:

CES Synergies, Inc., through its subsidiary, Cross Environmental Services, Inc., is a specialty environmental services company providing quality environmental contracting solutions, demolition and remediation services to commercial and industrial customers, as well as federal, state and municipal entities. More information may be found at the Company's website: <http://www.crossenv.com>.

This release contains certain statements that are, or may be deemed to be, forward-looking statements within the meaning of section 27A of the Securities Act of 1933 and section 21E of the Securities Exchange Act of 1934, and are made in reliance upon the protections provided by such Acts for forward-looking statements. We have identified forward-looking statements by using words such as "expect," "believe," and "should." Although we believe our expectations are reasonable, our operations involve a number of risks and uncertainties that are beyond our control, and these statements may turn out not to be true. Risk factors associated with our business, including some of the facts set forth herein, are detailed in the Company's Form SEC filings.
