# CES Synergies Commences Site Clearing Activities on a 20-Acre Site

## Project Scope to Include Asbestos Removal and Building Demolition

CRYSTAL SPRINGS, FL -- (Marketwired) -- 02/23/16 -- **CES Synergies, Inc.** (OTC PINK: CESX) ("**CES**" or the "**Company**"), a full service environmental, asbestos abatement and demolition company, announced today that it has completed Phase I of a two-phase demolition and abatement project.

CES' scope of services for both Phases includes asbestos removal from several residential structures and demolition of six houses, a detached garage, two barn structures and two sheds. The parcel is being cleared for future commercial development adjacent to the bustling I-4 corridor. Phase II of the project is set to start next month.

John Tostanoski, CEO of CES Synergies, commented, "We are pleased with the progress of the remediation and demolition activities thus far. Upon receipt of our Notice to Proceed for Phase II, we expect to quickly execute remediation activities, and to immediately follow with demolition of the structures which allows for a quick turnaround of our entire project scope."
