MRI Interventions to Present at Southern California Investor Conference on August 24

IRVINE, Calif., Aug. 17, 2017 (GLOBE NEWSWIRE) -- MRI Interventions, Inc. (OTCQB:MRIC) (the "Company"), today announced that Frank Grillo, CEO, will present at the 2017 Southern California Investor Conference ("SCIC") on Thursday, August 24, 2017, at 10:00 a.m. Pacific Time. The event will be held at the Island Hotel in Newport Beach, California.

Management will be available to meet with investors throughout the day. Investors wishing to schedule a meeting may do so through the SCIC website, <http://www.scic2017.com>, or by contacting MRI Interventions' Investor Relations at mkreps@darrowir.com.

A live webcast of the presentation will be provided by the conference through its website at <http://www.scic2017.com>.

About MRI Interventions, Inc.

Building on the imaging power of magnetic resonance imaging ("MRI"), MRI Interventions is creating innovative platforms for performing the next generation of minimally invasive surgical procedures in the brain. The ClearPoint Neuro Navigation System, which has received 510(k) clearance and is CE marked, utilizes a hospital's existing diagnostic or intraoperative MRI suite to enable a range of minimally invasive procedures in the brain. Forward-Looking Statements

Statements herein concerning the Company's plans, growth and strategies may include forward-looking statements within the context of the federal securities laws. Statements regarding the Company's future events, developments and future performance, as well as management's expectations, beliefs, plans, estimates or projections relating to the future, are forward-looking statements within the meaning of these laws. Uncertainties and risks may cause the Company's actual results to differ materially from those expressed in or implied by forward-looking statements. Particular uncertainties and risks include those relating to: future revenues from sales of the Company's ClearPoint Neuro Navigation System products; the Company's ability to market, commercialize and achieve broader market acceptance for the Company's ClearPoint Neuro Navigation System products; and estimates regarding the sufficiency of the Company's cash resources. More detailed information on these and additional factors that could affect the Company's actual results are described in the "Risk Factors" section of the Company's Annual Report on Form 10-K for the year ended December 31, 2016, and the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2017, both of which have been filed with the Securities and Exchange Commission.
