CEDAR KNOLLS, NJ -- (Marketwired) -- 08/14/15 -- MYOS Corporation ("MYOS" or the "Company") (NASDAQ: MYOS), an emerging biotherapeutics and bionutrition company focused on the discovery, development and commercialization of products that improve muscle health and performance, announced that it filed its Quarterly Report on Form 10-Q for the quarter ended June 30, 2015 (the "Form 10-Q") with the Securities and Exchange Commission today. The Form 10-Q may be accessed via the 'SEC Filings' page of the Investor Relations section of the Company's corporate web site at [www.myoscorp.com](http://www.myoscorp.com)

MYOS' management team will host a conference call on August 28, 2015 at 10:00 a.m. ET to provide management highlights. Interested parties may access this conference call by dialing 877-407-7186 (U.S./Canada) or 201-689-8052 (International).

## ***About MYOS Corporation***

MYOS is an emerging biotherapeutics and bionutrition company focused on the discovery, development and commercialization of products that improve muscle health and function essential to the management of sarcopenia, cachexia and degenerative muscle diseases. MYOS is the owner of Fortetropin®, the first clinically proven natural myostatin inhibitor. Myostatin is a natural regulatory protein, which inhibits muscle growth and recovery. Medical literature suggests that lowering myostatin levels has many potential health benefits including increased muscle mass, healthy weight management, improved energy levels, stimulation of muscle healing as well as treating sarcopenia, a condition of age-related loss of muscle mass. To discover why MYOS is known as "The Muscle Company,"™ visit [www.myoscorp.com](http://www.myoscorp.com)

## ***About Rē Muscle Health™***

The Rē Muscle Health™ series is the Company's first branded line of muscle health products. This unique line of all-natural, non-GMO products contain Fortetropin®, an egg-based, all natural myostatin inhibitor clinically proven to build healthy muscle. The Rē Muscle Health™ series can be ordered by visiting [www.remusclehealth.com](http://www.remusclehealth.com). MYOS believes that Fortetropin®, as well as future products it envisions, will redefine existing standards for muscle health. The Rē Muscle Health™ product line is owned and sold directly by the Company. [www.remusclehealth.com](http://www.remusclehealth.com)

## ***Forward-Looking Statements***

Any statements in this release that are not historical facts are forward-looking statements. Actual results may differ materially from those projected or implied in any forward-looking statements. Such statements involve risks and uncertainties, including but not limited to those relating to the successful continued research of Fortetropin® and its effects on

myostatin inhibition, inflammatory cytokine levels and cholesterol levels, the successful launch and customer demand for our Rē Muscle Health™ and other products, the continued growth of repeat purchases, market acceptance of our existing and future products, the ability to create new products through research and development, growth in our revenue, the successful entry into new markets including the age management market, the ability to collect our accounts receivable from our distributors, our ability to raise capital to fund continuing operations, the ability to attract additional investors and increase shareholder value, the ability to generate the forecasted revenue stream and cash flow from sales of Fortetropin® and Rē Muscle Health™, the ability to achieve a sustainable profitable business, the effect of economic conditions, the ability to protect our intellectual property rights, the ability to maintain and expand our manufacturing capabilities and reduce the costs of our products, the ability to comply with NASDAQ's continuing listing standards, competition from other providers and products, risks in product development, and other factors discussed from time to time in our Securities and Exchange Commission filings. We undertake no obligation to update or revise any forward-looking statement for events or circumstances after the date on which such statement is made except as required by law.

These statements have not been evaluated by the Food and Drug Administration. Our products are not intended to diagnose, treat, cure or prevent any disease.
