Spotlight Innovation to Present at 9th Annual Biotech Showcase on January 10, 2017

URBANDALE, Iowa, Dec. 23, 2016 /PRNewswire/ -- [Spotlight Innovation Inc.](#) (OTCQB: STLT), a pharmaceutical company advancing technologies designed to address rare, emerging and neglected diseases, today announced that Company management will present at the 9th Annual Biotech Showcase™ on Tuesday, January 10, 2017, at 4:00 p.m. Pacific Time. The conference takes place January 9 –11, 2017, at the Hilton San Francisco Union Square, San Francisco, California.

Management will discuss the Company's efforts to address unmet medical needs in five focus areas: Zika virus infection, spinal muscular atrophy (SMA), chronic pain, refractory glaucoma, and cancer. In addition to the scheduled presentation, management will be available for 1:1 meetings. For more information about the conference or to schedule a meeting, please contact Robert Haag at stlt@irthcommunications.com.

About Biotech Showcase

Biotech Showcase™ is an investor and partnering conference devoted to providing private and public biotechnology and life sciences companies with an opportunity to present to, and meet with, investors and pharmaceutical executives in one place during the course of one of the industry's largest annual healthcare investor conferences. Investors and biopharmaceutical executives from around the world gather in San Francisco during this critical week which is widely viewed as setting the tone for the coming year. Now in its ninth year, this rapidly growing conference features multiple tracks of presenting companies, plenary sessions, workshops, networking, and an opportunity to schedule one-to-one meetings. In addition to biopharmaceutical and life science company executives, Biotech Showcase delegates include investors in private and public companies, sector analysts, bankers and industry professionals.

About Spotlight Innovation Inc.

Spotlight Innovation Inc. (OTCQB: [STLT](#)) identifies and acquires rights to innovative, proprietary technologies designed to address unmet medical needs, with an emphasis on

rare, emerging and neglected diseases. To find and evaluate unique opportunities, we leverage our extensive relationships with leading scientists, academic institutions and other sources. We provide value-added development capability to accelerate development progress. When scientifically significant benchmarks have been achieved, we will endeavor to partner with proven market leaders via sale, out-license or strategic alliance. Forward-Looking Statements

Statements in this press release that are not purely historical are forward-looking statements. Forward-looking statements herein include statements regarding Spotlight Innovation's efforts to develop and commercialize its various technologies, and to achieve its stated benchmarks. Actual outcomes and actual results could differ materially from those in such forward-looking statements. Factors that could cause actual results to differ materially include: risks and uncertainties, such as the inability to finance the planned development of the technologies; the inability to hire appropriate staff to develop the technologies; unforeseen technical difficulties in developing the technologies; the inability to obtain regulatory approval for human use; competitors' therapies proving to be more effective, cheaper or otherwise more preferable; or, the inability to market a product. All of which could, among other things, delay or prevent product release, as well as other factors expressed from time to time in Spotlight Innovation's periodic filings with the Securities and Exchange Commission (the "SEC"). As a result, this press release should be read in conjunction with Spotlight Innovation's periodic filings with the SEC. The forward-looking statements contained herein are made only as of the date of this press release and Spotlight Innovation undertakes no obligation to publicly update such forward-looking statements to reflect subsequent events or circumstances.
