A replay of the teleconference will be available until May 14th, 2012, which can be accessed by dialing (877) 660-6853 if calling within the United States or (201) 612-7415, if calling internationally. Please enter account #286 and conference ID # 393306 to access the replay.

Fiscal 2012 Outlook

The Company is providing guidance with respect to management's current expectations for fiscal 2012, as follows:

- Expected revenues between \$14 and \$16 million.
- Expected gross margins between 50% and 55%.
- Expected net income between 9% and 11% of revenues.

The above guidance is based on the Company's current expectations. The Company assumes no obligation to publicly update or revise its outlook. Investors are reminded that these statements are forward-looking and actual results may differ, and may differ materially, from these estimates.

ABOUT TELKONET

Telkonet is a leading energy management technology provider offering hardware, software

and services to Commercial customers worldwide. The EcoCentral Platform, in conjunction with the EcoSmart Suite of products, provides comprehensive savings, management and reporting of a building's energy consumption. Telkonet's energy management products are installed in properties within the Hospitality, Military, Educational, Healthcare and Residential markets reducing energy consumption, carbon footprints and eliminating the need for new energy generation.
