### ***About the 15th Annual B. Riley & Co. Investor Conference***

This prestigious three-day, invitation-only annual event, brings together a targeted audience of leading institutional investors, financial services professionals and other

qualified investors. The conference will feature presentations by over 200 companies in a broad range of sectors, including: technology, consumer, retail, financials and energy. One-on-one meetings with company management teams will be available for investors.

### ***About SeeThru Equity, LLC***

SeeThruEquity is an equity research and corporate access firm focused on companies with less than \$1 billion in market capitalization. The research is not paid for and is unbiased. SeeThruEquity is approved to contribute research to Thomson Reuters One (First Call), CapitalIQ, FactSet, and Zacks and distributes research to its database of opt-in investors. The firm also contribute estimates to Thomson Estimates, the leading estimates platform on Wall Street.

### ***About the 3<sup>rd</sup> Annual Marcum MicroCap Conference***

The Marcum MicroCap Conference is dedicated to introducing investors to the very best, undiscovered companies under \$500 million in market capitalization. Launched in 2012, the annual Marcum MicroCap Conference features presentations by CEOs and CFOs from promising high-growth companies, the top picks by some of the most astute analysts following small caps, and thoughtful commentary on successful investment strategies and sectors.
