## **VSE Corporation Announces Expansion and Relocation of Headquarters**

Future Move to New Facility Scheduled for 2012

ALEXANDRIA, Va.-- VSE Corporation (Nasdaq GS: VSEC) has recently committed to a new 15-year lease agreement under which Metro Park 7 LLC will develop a new state-of-the-art office building that will serve as VSE's new headquarters.

The 95,000-square foot Class-A building will be located at 6348 Walker Lane in the Metro Park office complex in east Springfield, Va., the home of other high profile government contractors.

VSE, which has been in its current location in Alexandria, Va., for more than 40 years, chose Metro Park for its new headquarters because of its strategic location in Fairfax County and proximity to key customers and mass transit. The facility will feature numerous services and amenities, and will be built to achieve LEED Gold certification for environmentally sustainable, high-performance design and construction. VSE expects to take occupancy of the building in the spring of 2012.

Maurice "Mo" Gauthier, VSE CEO/President/COO said, "VSE is always focused on measured growth and customer satisfaction. With this move, we will create a stimulating environment and convenient location to enable our workforce to better serve the needs of our clients."

### About VSE
