Revolution Lighting Technologies Announces Reporting Date for Fourth Quarter and Full Year 2014

STAMFORD, Conn.-- Revolution Lighting Technologies, Inc. (NASDAQ:RVLT) ("Revolution Lighting"), a global provider of advanced LED lighting solutions, today announced that it will issue a press release reporting financial results for the fourth quarter and full year ended December 31, 2014 prior to market open on March 16, 2015. The Company will file its Form 10-K on schedule on March 16, 2015.

Revolution Lighting will host a conference call and live webcast to discuss fourth quarter financial results at 11:00 a.m. ET on March 16, 2015. To access the conference call, dial 1-888-364-3109 for the U.S. or Canada and 1-719-325-2491 for international callers with conference ID #6793830. The webcast will be available live on the Investor Relations section of the Company's website at <http://ir.rvlti.com/>.

An audio replay of the call will also be available to investors by phone beginning at approximately 2:00 p.m. ET on March 16, 2015 until 11:59 p.m. ET on March 30, 2015 by dialing 1-877-870-5176 for the U.S. or Canada or 1-858-384-5517 for international callers, and entering passcode #6793830. In addition, an archived audio webcast will be available on the Investors Relations section of the Company's website at <http://ir.rvlti.com/>.

About Revolution Lighting Technologies Inc.

Revolution Lighting Technologies, Inc. is a leader in the design, manufacture, marketing, and sale of light emitting diode (LED) lighting solutions focusing on the industrial, commercial and government markets in the United States, Canada, and internationally. Through advanced technology and aggressive new product development, Revolution Lighting has created an innovative, multi-brand, lighting company that offers a comprehensive advanced product platform. The company goes to market through its Seesmart brand, which designs, engineers and manufactures an extensive line of high-quality interior and exterior LED lamps and fixtures; Lighting Integration Technologies Inc., which sells and installs Seesmart products; Lumificient, which supplies LED illumination for the signage industry; Relume Technologies, a leading manufacturer of outdoor LED products; and Sentinel, a revolutionary patented and licensed monitoring and smart grid control system for outdoor lighting applications. Revolution Lighting Technologies markets and distributes its product through a network of independent sales representatives and distributors, as well as through energy savings companies, national accounts and its wholly owned subsidiary, Value Lighting, a leading supplier of lighting solutions to the multifamily residential housing sector and new construction marketplace across the U.S. Revolution Lighting Technologies trades on the NASDAQ under the ticker RVLT.
