Revolution Lighting Technologies Distributor Brightness LLC Purchases \$1M of Company's Common Stock

Investment by Brightness LLC Validates Revolution Lighting Technologies' Industry-Leading LED Solutions and Strengthens Its Long Term Relationship

STAMFORD, CT -- (Marketwired) -- 07/07/16 -- Revolution Lighting Technologies, Inc. (NASDAQ: RVLT) ("Revolution Lighting"), a global provider of advanced LED lighting solutions, today announced that one of its key distributors, Brightness LLC, has purchased 175,000 shares of the Company's common stock, worth approximately \$1 million as part of a private placement effective June 27, 2016. The \$1M stock purchase from Revolution Lighting further strengthens the long term partnership, while also validating Brightness' confidence in the Company's industry-leading LED technologies.

Brightness LLC, with U.S. headquarters located in Miami, FL, in addition to branches located in Argentina, Costa Rica and Uruguay, is a leading distributor of LED lighting products throughout Florida, Mexico, South America, and Central America. Brightness has enjoyed a strategic partnership with Revolution Lighting Technologies for more than four years, including the installation of its LED technologies throughout [Trinidad Ramos Mejia Hospital](#) in Argentina. Completed in December 2015, this project expanded Revolution Lighting's footprint within international markets while also fulfilling the energy efficiency needs of a significant healthcare facilities developer and manager in Argentina. Brightness continues to successfully address multi-family residences including the provision of LEDs solutions for one of the most exclusive condominiums, Chateau Fendi, at Surfside, Florida, in addition to [Villas at Harbor Isles in Dania, Florida](#) and recent projects in San Jose, Costa Rica.

"Brightness' investment in Revolution Lighting Technologies speaks to their confidence in our continued ability to deliver market leading LED solutions," said Robert V. LaPenta, CEO and Chairman, Revolution Lighting. "We have enjoyed a successful relationship with Brightness as a distributor of our products, and we look forward to continuing our efforts, expanding our footprint both nationally and internationally."

Brightness LLC's key management has more than twenty-five years of competitive experience in the Latin American market for technology and lighting, employing thirty specialized engineers to validate the best long-term solutions, addressing energy savings and environmental requirements for each project. With successful project wins in industries spanning commercial office, industrial, parking, infrastructure/roadway, education, hospitality, retail, and healthcare, Brightness has been a crucial distribution partner for Revolution Lighting throughout their strategic partnership.

"Our relationship with Revolution Lighting Technologies has been extremely positive as we continue to secure projects within key markets where their LED solutions can be implemented. Revolution's LED solutions are able to satisfy all of our customer's needs, which is essential during this critical time period within the LED market that is poised to take off and experience extensive growth. This is why Brightness LLC has decided to make this additional new investment, and continue to further leverage our strong partnership." said Carlos Martinangeli, President and Founder, Brightness LLC.

About Revolution Lighting Technologies Inc.

Revolution Lighting Technologies, Inc. is a leader in the design, manufacture, marketing, and sale of LED lighting solutions focusing on the industrial, commercial and government markets in the United States, Canada, and internationally.
