Revolution Lighting Technologies Selected for Inclusion in Russell 2000(R) Index

STAMFORD, CT -- (Marketwired) -- 07/20/17 -- Revolution Lighting Technologies, Inc. (NASDAQ: RVLТ) ("Revolution Lighting"), a global provider of advanced LED lighting solutions, today announced that the company has been selected for inclusion in the Russell 2000® Index. Revolution Lighting was officially listed on the Index when markets opened on Tuesday, June 27, 2017.

Robert V. LaPenta, CEO and Chairman of Revolution Lighting, commented, "The addition of Revolution Lighting to the Russell 2000® Index is another validation of our continued growth and leadership in the design, manufacturing and providing of full-service lighting solutions. Inclusion in the index will increase the visibility and public awareness of Revolution Lighting within the investment community."

Membership in the small-cap Russell 2000® Index means automatic inclusion in the Russell 3000® Index as well as in the appropriate growth and value style indexes. The Russell 3000® Index encompasses the 3,000 largest U.S.-traded stocks by objective, market-capitalization rankings and style attributes. This weighted index by market capitalization was constructed to provide a comprehensive barometer of the broad market and it now represents approximately 98 percent of the investable U.S. equity market. The Russell Global Indexes reflect the performance of over 10,000 securities in 47 countries. Membership in these indexes is updated annually and remains in place for one year.
