Cautionary Statement for Forward-Looking Statements

Certain of the above statements contained in this press release are forward-looking statements that involve a number of risks and uncertainties, including statements relating to our business pipeline and sales opportunities, our revenue, Adjusted EBITDA and cash flow outlook. Such forward-looking statements are within the meaning of that term in Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Reference is made to Revolution Lighting's filings under the Securities Exchange Act for additional factors that could cause actual results to differ materially, including our history of losses, customer concentration risks, the potential for future dilution to our existing common stockholders, the risk that demand for our LED products fails to emerge as anticipated, the availability of financing for our customers, competition from larger companies, and risks relating to third party suppliers and manufacturers, as well as the other Risk Factors described in Item 1A of our Form 10-K for the fiscal year ended December 31, 2016. Revolution Lighting Technologies, Inc. undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. Readers are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and that actual results may differ materially from those indicated in the forward-looking statements as a result of various factors. Readers are cautioned not to place undue reliance on these forward-looking statements.
