CCA Industries, Inc. Reports Second Quarter 2018 Results

RIDGEFIELD PARK, N.J., July 16, 2018 /PRNewswire/ -- CCA Industries, Inc. (NYSE MKT: "CAW") announced today its results for the second quarter and six months ended May 31, 2018, which can be found in the table below.

The Company reported a loss of \$292,320 for the three months ended May 31, 2018 as compared to income of \$698,550 for the same period in fiscal 2017. The loss in the second quarter of fiscal 2018 was due to a dispute with an international customer which resulted in the Company taking a reserve of \$479,052 lowering net sales. Lance Funston, Chief Executive Officer commented, "We believe the Company has taken the correct approach with the international customer and it is unfortunate that we had to reserve for the receivable that is due to us. We are working towards finding a new distributor for that middle eastern region. We plan on introducing some exciting new products to our retail partners over the next couple of months which we believe will get our sales back on track for fiscal 2019. We anticipate a return to profitability in the third quarter of fiscal 2018." The Company will be holding its quarterly investor call on Tuesday, July 17, 2018 at 10 AM EDST. Investors may phone (866) 393-4306 to participate in the call. The call may also be accessed through a live audio web cast at:
