VoicelInterop Announces License Agreement With Collabria LLC

BOCA RATON, FL -- (Marketwire) -- 05/08/12 -- Boca Raton, FL-based technology company Cleartronic, Inc. (OTCBB: CLRI), announced today that [VoicelInterop](#), a wholly owned subsidiary, has entered into a License Agreement for its AudioMate360 product line with [Collabria LLC, a communications software company based in Tampa](#), Florida.

"With more and more companies recommending and using [AudioMate360 IP gateways](#) as the preferred gateway for their communication products," stated Cleartronic CEO Larry Reid, "we felt it was time to begin licensing our patented technology to industry-leading communication companies."

In a related announcement, Marc Moore, CEO of Collabria LLC, advised, "We have been using VoicelInterop's AudioMate AM360R in our client installations that include connections with two-way radio systems. Working with VoicelInterop's engineering team, we have made modifications to the AudioMate AM360R's firmware to improve interoperability with our software. We are extremely pleased with the resulting combined capabilities and are excited to enter into this agreement with VoicelInterop as our source for our gateway needs."

About Cleartronic, Inc.

Cleartronic, Inc. (OTCBB: CLRI) is a technology holding company that creates and acquires operating subsidiaries to develop, manufacture and sell products, services and integrated systems serving a range of market applications, from business enterprises to consumer products and services.

Cleartronic's central mission is to leverage its underlying core technology and proven competencies into new, high-growth market applications, including the development of consumer products targeting large domestic and global markets. Opportunities being considered include energy consumption management, cloud communications, and machine-to-machine applications. www.cleartronic.com
