Cleartronic, Inc. (CLRI) Developing 'Capitalization Benefit Plan'

BOCA RATON, FL -- (Marketwired) -- 04/03/14 -- Cleartronic, Inc. (OTCBB: CLRI) (the "Company") announces the development of a share capital improvement plan to provide additional benefits to its shareholders.

Specifically, the Company is in discussions with its majority shareholders and the Company's current and potential investors for the development of a capital structure plan that [CLRI's management](#) expects to provide long-term benefits to the Company and its shareholders.

"We are currently developing what we call a 'Capitalization Benefit Plan' intended to take advantage of our share capital and corporate tools to attract potential acquisition candidates, investors and provide long term benefits for our shareholders," stated Cleartronic CEO Larry Reid, "the Company remains committed to growing its business and finding ways to create value for our shareholders. We look forward to finalizing this plan in the short term, announcing its details and commencing implementation."

Several options currently being considered by the Company include dividends, warrant issuances, isolated private offerings to qualified investors and preferred stock exchanges.
