Cleartronic, Inc. (CLRI) Subsidiary Expands Into Africa

BOCA RATON, FL -- (Marketwired) -- 07/28/15 -- Cleartronic, Inc. (OTC PINK: CLRI) through its subsidiary ReadyOp Communications Inc., announces adding its first client in Africa. A [Uganda-based](#) organization will be using [ReadyOp](#) for planning and communications between its 30,000 members and with government agencies throughout their nation.

"Our clients have been operating daily in North and South America. This will be our first foray into Africa and we are excited about the technology advances that are occurring there. ReadyOp will be an excellent tool for communications within and between the nations of Africa in addition to communications with persons and agencies on other continents," said Marc Moore, CEO of ReadyOp Communications, Inc., a subsidiary of Cleartronic.

Marc Moore, additionally states, "Our first client in Africa further demonstrates the worldwide reach and capacity of ReadyOp. Africa represents a new market opportunity for us and we are excited to expand our operations there."

Planning and communications are vital to success for all organizations. ReadyOp provides an easy and efficient, yet powerful capability for organizations, government agencies, universities and other groups to conduct daily operations, to plan for special events and to respond for incidents that may occur.
