Finjan Holdings, Inc. to Present at the 2014 Gateway Conference on September 4, 2014

NEW YORK, NY -- (Marketwired) -- 08/26/14 -- Finjan Holdings, Inc. (NASDAQ: FNJN), a technology company committed to enabling innovation through the licensing of its intellectual property, has been invited to present at the [2014 Gateway Conference](#) which is being held on Thursday, September 4, 2014 at the Palace Hotel in San Francisco.

Phil Hartstein, President and CEO of Finjan Holdings, is scheduled to present at 8:30 a.m. Pacific time, with one-on-one meetings held throughout the day. Hartstein will discuss the Company's strategy for growth and expansion, provide an update on the ongoing licensing and enforcement actions, and explain the Company's continued investment in the cybersecurity sector.

The presentation will also be webcast live and available for replay at www.gateway-conference.com, under the Webcast tab.

Hartstein will also participate in a 10-minute video interview recorded at the conference. Popular syndicated radio personality and former investment banker, Conn Jackson, will host the interview, which will be posted to the Gateway Conference website and the Investor Relations section of [Finjan Holdings' website](#) shortly after the conference.

For additional information or to schedule a one-on-one meeting log in via the link provided in your invitation. You may also email your request to schedule@gateway-conference.com or call at (949) 574-3860.

About the Gateway Conference

The Gateway Conference is designed to provide a unique gateway between influential members of the investment community and a select group of compelling publicly traded companies. Portfolio managers, research analysts and brokers from buy-side and sell-side institutions will have the opportunity to learn about more than 60 small-cap growth companies from a number of growth industries, including technology, business services, digital media, clean-tech, consumer, Internet retail and life sciences. For more information, visit www.gateway-conference.com.

The invitation-only conference is hosted by Liolios Group, one of the nation's top investor relations agencies, and sponsored by leading firms that service the financial community. For more information about Liolios Group, visit www.liolios.com.

ABOUT FINJAN HOLDINGS

Through our subsidiary, Finjan, Inc., we own a portfolio of patents, related to software that proactively detects malicious code and thereby protects end users from identity and data theft, spyware, malware, phishing, trojans and other online threats. Finjan's mission is to

invest in innovation and encourage the development of core intellectual property. Founded in 1997, Finjan developed and patented technology that is capable of detecting previously unknown and emerging threats on a real-time, behavior-based, basis, in contrast to signature-based methods of intercepting only known threats to computers, which were standard in the online security industry during the 1990's. For more information about Finjan, please visit www.finjan.com.

Cautionary Note Regarding Forward-Looking Statements

This press release includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements include statements regarding our expectations, intentions, beliefs, and projections about our future results, performance, prospects, and opportunities. These statements can be identified by the fact that they do not relate strictly to historical or current facts or by the use of words such as "anticipate," "believe," "could," "estimate," "expect," "intend," "may," "plan," "project," "potential," "should," "will," "will be," "would," the negative of these terms and similar expressions, but this is not an exclusive way of identifying such statements. Readers are cautioned that forward-looking statements are not guarantees of future performance. Our actual results, performance, and achievements may differ materially from those expressed in, or implied by, the forward-looking statements contained in this press release as a result of various risks, uncertainties and other factors. Important factors that could cause our actual results to differ materially from our expectations include, without limitation, our ability to execute our business plan, the outcome of pending or future enforcement actions, our ability to expand our technology portfolio, the enforceability of our patents, the continued use of our technology in the market, the development of a liquid trading market for our securities, regulatory developments, and other factors described under Item 1A, "Risk Factors," as set forth in the Company's Annual Report on form 10-K filed with the SEC on March 14, 2014, and any subsequent quarterly or current reports.

The Company will continue to file annual, quarterly, and current reports, proxy statements and other information with the SEC. Forward-looking statements speak only as of the dates specified in such filings or releases. Except as expressly required under federal securities laws and the rules and regulations of the Securities and Exchange Commission, we do not undertake any obligation to update any forward-looking statements to reflect events or circumstances arising after any such date, whether as a result of new information or future events or otherwise. You should not place undue reliance on the forward-looking statements included in this release or that may be made elsewhere from time to time by us, or on our behalf. All forward-looking statements attributable to us are expressly qualified by these cautionary statements.
