Finjan Signs Licensing Agreement

E. Palo Alto, Nov. 16, 2015 -- Finjan Holdings, Inc. (NASDAQ: FNJN), a cybersecurity company, announced that on November 15, 2015, Finjan, Inc. ("Finjan"), a wholly-owned subsidiary of Finjan Holdings, Inc., entered into a Confidential Patent License, Settlement and Release Agreement (the "Agreement"), with a European-based firm that is one of the world's leaders in anti-virus software and endpoint software security solutions. The terms of the Agreement are confidential.

With its 20 year history in cybersecurity, Finjan's investments in innovation are captured in its rich portfolio of patents that are centered around proactively detecting previously unknown and emerging threats on a behavior-based basis. According to Julie Mar-Spinola, Chief IP Officer and VP, Legal, "Finjan's growing list of licensees, all of whom are key players in the cybersecurity space, firmly establishes the integrity of our licensing program and Best Practices, and the sustainability of our patented technologies."

ABOUT FINJAN

Established nearly 20 years ago, Finjan is a globally recognized leader in cybersecurity. Finjan's inventions are embedded within a strong portfolio of patents focusing on software and hardware technologies capable of proactively detecting previously unknown and emerging threats on a real-time, behavior-based basis. Finjan continues to grow through investments in innovation, strategic acquisitions, and partnerships promoting economic advancement and job creation.
