Finjan Enters into Agreement to be Acquired by Affiliates of Fortress in an All Cash Transaction

EAST PALO ALTO, Calif., June 10, 2020 (GLOBE NEWSWIRE) -- Finjan Holdings, Inc. (NASDAQ: FNJN) (Finjan) today announced that it has entered into a definitive agreement (the "Merger Agreement") pursuant to which affiliates of Fortress Investment Group LLC (collectively "Fortress") would acquire all outstanding shares of Finjan common stock for \$1.55 per share in cash (the "Transaction"), representing an aggregate equity value of approximately \$43.9 million. Finjan, a recognized pioneer in the development of cybersecurity technologies, will maintain its brand and business model post-transaction, licensing and enforcing a substantial patent portfolio that has been consistently upheld by courts and patent offices.

Under the terms of the Merger Agreement, Fortress will commence a tender offer to purchase all the outstanding shares of Finjan's common stock for \$1.55 per share in cash. The closing of the tender offer is subject to customary conditions, including the tender of a majority of the outstanding shares of Finjan's common stock. Following successful completion of the tender offer, Fortress will acquire all remaining shares not tendered in the offer through a merger at the same price as in the tender offer.

Finjan's Board of Directors unanimously approved the Merger Agreement and recommends that shareholders tender their shares. In connection with the Merger Agreement, directors and officers of the Company, together with shareholders, in the aggregate holding approximately 28 percent of the outstanding shares of common stock of the Company, have agreed to tender their shares in the offer pursuant to support agreements.

The Transaction is not subject to any financing condition and is expected to close in the third quarter of 2020.

Daniel Chinn, Chairman of Finjan Holdings, stated, "The Board of Directors thoroughly evaluated all of our strategic options, giving careful consideration to the current unprecedented and uncertain environment, and we believe that this transaction will provide the best outcome for Finjan and its stockholders. We appreciate the continued patience of our investors and employees and thank them for their support. We recommend all shareholders to tender their shares in the offer."

Phil Hartstein, President and Chief Executive Officer of Finjan, commented, "We believe that this transaction strengthens our ability to continue executing our business model, particularly while facing unpredictable timelines in the court system and a challenging macro-economic environment. The acquisition enables Finjan to continue to pursue our licensing mission and expand our reputation and credibility on policy related initiatives, while providing us greater

resources and opportunities as a Fortress portfolio company.”

Eran Zur, Managing Director and head of the Fortress IP Finance Group, commented, “Finjan pioneered many of the technologies that underpin how companies protect their networks from cyberattacks. Finjan had the foresight to patent its innovations and its patent portfolio has been repeatedly upheld by courts and patent offices while being widely licensed to industry players. Fortress and Finjan share a strong belief in the importance of preserving a patent system that allows innovators to earn a fair return on their investment and we look forward to supporting Finjan as it moves forward with its licensing program.”

Atlas Technology Group, LLC is acting as exclusive financial advisor to Finjan, and Perkins Coie LLP and GCA Law Partners LLP are serving as legal advisors to Finjan. Sidley Austin LLP is serving as legal advisor to Fortress.
