*restaurant feedback and usage habits we feel that we have molded the [LiveDeal](http://LiveDeal) platform into a more robust experience.” He continued, “Furthermore, to meet the growing demand for a better restaurant deal platform very soon we plan to make it possible for international expansion whereby LiveDeal can be adopted in any city in the world.”*

**What is [livedeal.com](http://livedeal.com)?**

Leveraging its experience in the curation of thousands of deals in four major US cities, [LiveDeal](http://LiveDeal) is poised to release a version of the “real-time” deal platform with further enhanced features and functionality that will enable restaurants in cities throughout the US and internationally to adopt the platform with ease, thus laying the groundwork for exponential growth.

Jon Isaac, President and CEO of LiveDeal, said, *“Through careful analysis of both consumer and*

[livedeal.com](http://livedeal.com) is a unique, real-time "deal engine" connecting merchants with consumers. The Company believes that it has developed a first-of-its-kind web/mobile platform providing restaurants with full control and flexibility to instantly publish customized offers whenever they wish to attract customers. The website includes a number of user and restaurant-friendly features, including:

- an intuitive interface enabling restaurants to create limited-time offers and publish them immediately, or on a preset schedule that is fully customizable;
- state-of-the-art scheduling technology giving restaurants the freedom to choose the days, times and duration of the offers, enabling them to create offers that entice consumers to visit their establishment during their slower periods;
- advanced publishing options allowing restaurants to manage traffic by limiting the number of available vouchers to consumers;
- superior geo-location technology allowing multi-location restaurants to segment offers by location, attracting customers to slower locations while eliminating potential over-crowding at busier sites;
- innovative proprietary restaurant indexing methodology; and
- a user-friendly mobile and desktop web interface allowing consumers to easily browse, download, and instantly redeem "live" offers found on [livedeal.com](http://livedeal.com) based on their location.

Restaurants can sign up to use the LiveDeal platform at the Company's website ([www.livedeal.com](http://www.livedeal.com)) or via the LiveDeal App, which is scheduled to be released in March 2014.
