Non-GAAP Financial Information

Live Ventures believes that shareholders' equity per basic share provided an additional tool for investors to use in evaluating operating results and trends, as such we are providing in this press release shareholders' equity per basic common share, which is not a measure of our financial performance or position under United States Generally Accepted Accounting Principles ("GAAP"). Accordingly, shareholders' equity per basic share should not be considered in isolation or as a substitute for measures prepared in accordance with GAAP. This measure should be read in conjunction with our net earnings, operating income, basic and diluted earnings per share data prepared in accordance with GAAP.

We define shareholders' equity per basic common shares as total shareholders' equity divided by basic weighted average common shares outstanding for the period. A reconciliation of the Company's net income per basic common share per GAAP to shareholders' equity per common share is included in the Non-GAAP Measure Reconciliation provided at the end of this release.
