About Live Ventures Incorporated

Live Ventures is a diversified holding company with a strategic focus on value-oriented acquisitions of domestic middle-market companies. Live Ventures' acquisition strategy is sector agnostic and focuses on well-run, closely held businesses with a demonstrated track record of earnings growth and cash flow generation. The Company seeks opportunities to partner with management teams of its acquired businesses to build increased stockholder value through a disciplined buy-build-hold long-term focused strategy. Live Ventures was founded in 1968. In late 2011, Jon Isaac, CEO and strategic investor, joined the Board of Directors of the Company and later refocused it into a diversified holding company. The Company's current portfolio of diversified operating subsidiaries includes companies in the textile, flooring, tools, steel, and entertainment industries.
