Cocrystal Pharma, Inc. Announces Digital Corporate Communication Channels

BOTHELL, WA -- (Marketwired) -- 05/22/14 -- Cocrystal Pharma, Inc. (the "Company") (OTCBB: COCP)(OTCQB: COCP), a biotechnology company developing new antiviral therapeutics for human diseases, announced today its suite of online corporate communication channels to maintain on-going direct communication with stakeholders. The Company has launched official portals on social media channels including Facebook, Twitter, LinkedIn, Google+ and The Chairman's Blog.

The Chairman's Blog is an online communication portal where Cocrystal Pharma's founders and executives can address topics related to the development of antiviral therapeutics for human diseases as well as specific points of discussion as they relate to key events at Cocrystal Pharma. CEO Gary Wilcox's inaugural blog post is "[Picture an Immune System Directed by Human Intelligence](#)." The blog post can be found online at the official Cocrystal Pharma Chairman's Blog profile provided below.
