

Company Overview

VSE Corporation is a diversified products and services aftermarket company providing repair services, distribution, logistics, supply chain management support and consulting services for land, sea and air transportation assets in the public and private sectors.

We are a preferred strategic partner, providing customized solutions to improve operational readiness and capability across a wide array of mature platforms. We characterize the majority of our work as "sustainment services," consisting of distribution and maintenance, repair and overhaul (MRO). VSE, the parent company, conducts business operations through our Federal Services Group and our wholly owned subsidiaries, including Wheeler Bros., Inc., VSE Aviation, Inc. (which includes 1st Choice Aerospace, CT Aerospace LLC and Kansas Aviation of Independence, LLC), Akimeka LLC and Energetics Incorporated.

Our strength lies in the talented professionals who support our customers through customized solutions to maintain and modernize products, equipment, and systems. Our nationwide network of facilities and offices provides access to a spectrum of corporate resources and services in diversified engineering, logistics, management, and information technology disciplines. We combine their individual skills, experience, and motivation with corporate resources, technology and teamwork to deliver high quality, cost-effective solutions to a global customer base.

VSE is a publicly traded (NASDAQ: VSEC), ISO 9001:2015-registered SCM, MRO, and professional services company. VSE's subsidiary, Wheeler Bros., Inc. received its seventh U.S. Postal Service Supplier Performance Award for 2013. VSE Aviation, Inc. is an FAA and EASA certified independent provider of MRO and SCM services for aircraft engines and engine accessories.
