

COMPANY OVERVIEW

Cocrystal Pharma, Inc. (Nasdaq: COCP) is a clinical-stage biotechnology company seeking to discover and develop novel antiviral therapeutics as treatments for serious and/or chronic viral diseases. We employ unique structure-based technologies and Nobel Prize winning expertise to create viable antiviral drugs. These technologies are designed to efficiently deliver small molecule therapeutics that are safe, effective and convenient to administer. We have identified promising preclinical and clinical-stage antiviral therapeutics that target the replication process of norovirus, influenza, coronavirus and hepatitis C virus.
