MYnd Analytics Announces \$2.8 Million Registered Direct Offering

MISSION VIEJO, Calif., May 23, 2019 (GLOBE NEWSWIRE) -- MYnd Analytics, Inc. (NASDAQ: MYND), a behavioral health company with tools and technologies aimed at improving the delivery of mental health services through the combination of telemedicine and data analytics, today announced that certain investors have agreed to purchase approximately \$2.8 million of the Company's common stock in a registered direct offering.

The Company entered into a securities purchase agreement with the investors pursuant to which the Company agreed to sell 2,776,491 shares of its common stock at a per share price of \$1.02. The closing of the registered direct offering is expected to take place on or about May 28, 2019, subject to the satisfaction of customary closing conditions.

The Company intends to use the net proceeds for general corporate purposes.

T.R. Winston & Company, LLC is acting as sole placement agent in connection with the registered direct offering.

A shelf registration statement (File No. 333-223203) relating to the shares of common stock issued in the registered direct offering was filed with and declared effective by the Securities and Exchange Commission (the "SEC"). A prospectus supplement relating to the registered direct offering will be filed by the Company with the SEC. Copies of the prospectus supplement, together with the accompanying prospectus, can be obtained at the SEC's website at <http://www.sec.gov>.

This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities of the Company in the registered direct offering. There shall not be any offer, solicitation of an offer to buy, or sale of securities in any state or jurisdiction in which such an offering, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About MYnd Analytics

MYnd Analytics, Inc. (www.myndanalytics.com), with its wholly owned subsidiary Arcadian Telepsychiatry Services LLC, is a technology-enabled telepsychiatry and teletherapy company that provides enhanced access to behavioral health services, improves patient outcomes and helps lower the costs associated with behavioral health issues. The MYnd Psychiatric EEG Evaluation Registry (PEER) is a predictive analytics decision support tool that helps physicians reduce trial and error treatment for behavioral health conditions. PEER provides the physician a personalized care plan with recommended treatment options based on a patient's unique brain markers, reducing treatment time and treatment costs. Arcadian Telepsychiatry Services LLC provides a suite of complementary telemedicine services that can be combined with PEER, including telepsychiatry, teletherapy, digital patient screening, curbside consultation, on-demand services, and scheduled encounters for all age groups. MYnd's customers include major health plans, health systems, and community-based organizations.
