Arabian American Development Applies for Listing on NASDAQ Global Stock Market

DALLAS, Nov. 30 /PRNewswire-FirstCall/ -- Arabian American Development Co. (OTC Bulletin Board: ARSD) today announced that it has applied for a listing of its Common stock on the NASDAQ Global Market. While the Company believes it currently satisfies all of the listing qualifications associated with this application, final approval is dependent on the review process by NASDAQ's Listing Qualifications Department for compliance with all NASDAQ Global Market requirements. The Company's Common stock will continue to trade on the OTC Bulletin Board under its current symbol ARSD until such time as the Company is notified of its acceptance which is expected to take approximately four to eight weeks.

"We believe that a move to the NASDAQ market is in the best interests of our shareholders and the company," commented Nick Carter, Secretary and Treasurer of ARSD and also the President of the petrochemical segment. "Our application highlights our continued commitment to enhance shareholder value and will give the Company increased visibility within the investment community as well as increased liquidity for the stock. We look forward to a speedy application and approval process."

About Arabian American Development Co.

Arabian American owns and operates a petrochemical facility located in southeast Texas just north of Beaumont, Texas, specializing in high purity petrochemical solvents and other solvent type manufacturing. Arabian American also has a mining project in Saudi Arabia which is under development and is expected to produce economic quantities of zinc, copper, gold, and silver when it is put into production.
