Legacy Education Alliance Continues to Achieve a Global Following With 'Building Wealth' Seminar Held in London on March 13-15

Attendees Benefitted from Three Days of Training on Achieving Financial Independence

CAPE CORAL, Fla.-- [Building Wealth](#), a major global brand of Legacy Education Alliance, Inc. (OTCQB:LEAI), a leading provider of educational training seminars, conferences and services, conducted a well-attended training seminar at the Bloomsbury Hotel in London, England on March 13-15, 2013. Attendees were instructed to learn how to use real estate to build wealth, generate cash flow and achieve financial independence.

Anthony Humpage, CEO of Legacy Education Alliance, attended the seminar on March 13. He said, "London is, I believe, the most cosmopolitan of cities, and our training rooms reflect that. The students are all alike in one respect, however: their desire to achieve financial freedom for themselves and their families. I expect to see much the same

aspirations when I visit our two events in Johannesburg, South Africa, to be held next weekend."

Building Wealth has been teaching wealth-building strategies to thousands of people across the UK, Canada, Germany, Italy, Asia, South Africa and the USA. The team of inspirational trainers at Building Wealth have helped property entrepreneurs make their fortunes in property in any market condition. During the last decade, the Building Wealth basic training program team has inspired thousands of customers to build property businesses that result in positive cash flow through education, hard work, commitment and focus.

Forward-Looking Statements

Forward-Looking Statements. This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (which Sections were adopted as part of the Private Securities Litigation Reform Act of 1995). Statements preceded by, followed by or that otherwise include the words "believe," "anticipate," "estimate," "expect," "intend," "plan," "project," "prospects," "outlook," and similar words or expressions, or future or conditional verbs such as "will," "should," "would," "may," and "could" are generally forward-looking in nature and not historical facts. These forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the Company's actual results, performance or achievements to be materially different from any anticipated results, performance or achievements. The Company disclaims any intention to, and undertakes no obligation to, revise any forward-looking statements, whether as a result of new information, a future event, or otherwise. For additional risks and uncertainties that could impact the Company's forward-looking statements, please see the Company's Form 8-K, amended, first filed on November 10, 2014, including but not limited to the discussion under "Risk Factors" therein, which the Company has filed with the SEC and which may be viewed at <http://www.sec.gov>.
