## Legacy Education Alliance Hits New Record with Women in Wealth Brand

CAPE CORAL, Fla.-- Legacy Education Alliance, Inc. (OTCQB: LEAI), a leading provider of educational training seminars, conferences and services, achieved a new record closing rate for its Women in Wealth brand at a recent event in the U.S. This event was also the fourth best closing rate for all of the Company's U.S. women's brands.

"We are very pleased to see the great results of our Women in Wealth brand in the U.S.," said Anthony Humpage, CEO of Legacy Education. "We brought Women in Wealth and other brands to the U.S. market in 2014 as part of our effort to further diversify our revenue stream, adding to the strong foundation we've established with our Rich Dad Education enterprise. The success we're seeing provides a strong testament of our ability to introduce brands into new markets and bodes well for our ongoing global expansion efforts."

Women in Wealth was created to inspire ambitious women of all ages and backgrounds to release their innate talents and achieve financial security. The U.S. is now the most favorable country for high-potential female entrepreneurs, and women are choosing the path of entrepreneurship in record numbers. Legacy Education's Women in Wealth program seeks to empower women with a strong financial education and help them discover the power of real estate investing to create cash flow and build financial independence. Students find support from like-minded women dedicated to helping each other find success.

### Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (which Sections were adopted as part of the Private Securities Litigation Reform Act of 1995). Statements preceded by, followed by or that otherwise include the words "believe," "anticipate," "estimate," "expect," "intend," "plan," "project," "prospects," "outlook," and similar words or expressions, or future or conditional verbs such as "will," "should," "would," "may," and "could" are generally forward-looking in nature and not historical facts. These forward-looking statements involve known and

unknown risks, uncertainties and other factors which may cause the Company's actual results, performance or achievements to be materially different from any anticipated results, performance or achievements. The Company disclaims any intention to, and undertakes no obligation to, revise any forward-looking statements, whether as a result of new information, a future event, or otherwise. For additional risks and uncertainties that could impact the Company's forward-looking statements, please see the Company's Form 10-K, filed on March 27, 2015, including but not limited to the discussion under "Risk Factors" therein, which the Company has filed with the SEC and which may be viewed at <http://www.sec.gov>.
