Revenue for the year decreased \$9.3 million to \$87.2 million, due primarily to the change in our revenue recognition policy with regards to DVD fulfillment. This policy was changed in 2014, and the effects of the change are anticipated to be immaterial in 2016.

"Our cash sales, a key metric for evaluating our operating performance, increased 15% in 2015," stated Anthony Humpage, CEO of Legacy Education Alliance. "Our performance has been driven primarily by foreign sales expansion, which remains a priority for Legacy Education Alliance moving forward. We added another five countries to our global footprint last year and now offer solutions to students in 26 countries around the world, with non-U.S.

cash sales increasing to 41% of total revenue during 2015.”

“We also continue to focus on expanding our brand portfolio, most recently with the launch of the Elite Business Star™ brand in January 2016. Created in association with Kevin Harrington, one of the original Sharks from the television show Shark Tank, this latest addition to our offerings is expected to lead to further revenue growth as we move forward. We also remain committed to expanding our online course offerings and symposiums, which should lead to accelerating revenue recognition,” concluded Humpage.

2015 VERSUS 2014 RESULTS

Cash sales were \$94.1 million for the year ended December 31, 2015 compared to \$81.9 million for the year ended December 31, 2014, an increase of \$12.2 million or 15%. Revenue for the year ended December 31, 2015 was \$87.2 million compared to \$96.5 million for the year ended December 31, 2014. Attendance (i.e. fulfillment) increased \$3.1 million, or 5%, and recognition of revenue from expired contracts increased \$1.5 million, or 13%, offset by the decline in recognition of revenue of \$13.9 million, or 67%, due to the change in our revenue recognition policy with regards to DVD fulfillment. The impact of the revenue recognition policy change is expected to diminish in 2016.

Total operating costs and expenses were \$90.3 million for the year ended December 31, 2015 compared to \$90.9 million for the year ended December 31, 2014, a decrease of \$0.6 million or 1%. The decrease was primarily driven by lower general and administrative expenses of \$1.6 million, advertising and sales expenses of \$1.2 million and \$0.8 million in royalty expenses, offset by a \$3.0 million increase in direct course expenses.

Net loss was \$2.7 million, or \$0.12 per basic and diluted common share for the year ended December 31, 2015, compared to a net income of \$7.4 million, or \$0.45 per basic common share and \$0.42 per diluted common share for the previous fiscal year. Net loss for the year ended December 31, 2015 was negatively impacted by the decline in recognition of revenue of \$13.9 million due to the change in our revenue recognition policy with regards to DVD fulfillment, whereas the prior year period was positively impacted by \$20.9 million, or \$1.33 per basic common share and \$1.26 per diluted common share, due to this same policy change.

CASH FLOW

Net cash provided by operating activities was \$2.8 million in the year ended December 31, 2015 compared to net cash used in operating activities of \$(1.7) million in the year ended December 31, 2014. The \$4.5 million increase was primarily the result of a decrease in current liabilities for deferred revenue in 2014 as a result of increased recognition of revenue due to the change in our revenue recognition policy with regards to DVD fulfillment.
