CAPE CORAL, Fla.--(BUSINESS WIRE)-- Legacy Education Alliance, Inc. (OTCQB: LEAI) (<https://legacyeducationalliance.com>), a leading marketer of practical, high-quality, and value-based educational training on the topics of personal finance, entrepreneurship, and real estate investing strategies and techniques, announced that it will be conducting its first live workshops since the advent of the coronavirus pandemic earlier this year. The Company is scheduled to conduct preview workshops in Miami Lakes, Ft. Lauderdale, Boca Raton and West Palm Beach, Florida over a four-day period commencing November 4, 2020. The workshops are a prelude to a three-day basic training event to be held in Ft. Lauderdale, Florida on November 20-22, 2020.

“We are excited about the prospects of resuming our live sales and training events,” said James E. May, CEO of Legacy. “We believe people are eager to regain some level of normality in their lives and we think now is a most opportune time for prospective real estate investors to learn how to take advantage of the looming uncertainties in the real estate market.”

As a result of difficulties caused by COVID-19, the Company has been unable to conduct live sales events. For our re-opening, strict safety protocols will be in place at the upcoming live events. The Company expects to conduct additional live events in other areas as lockdown restrictions continue to ease and hopes to return to a normal schedule over the coming months.
