

## COMPANY OVERVIEW

Viking Energy Group provides professional advisory and consulting services to companies undergoing or anticipating periods of rapid growth, significant change or ownership transition, and when justified, staffing, financing, and/or providing operational support to such companies. Target companies must have superior management, intimate knowledge of their particular industry and a sound business plan, along with a desire and receptiveness for specific expertise to advance the company's business objectives.

Viking's primary focus is directed toward North America, targeting various industries, mainly in the Oil & Gas sector and other selective sectors, with appropriate diversification and balance between each. Viking targets under-valued businesses with realistic appreciation potential and a defined exit strategy.
