EVI Industries Completes Acquisition of Laundry Systems of Tennessee and Affiliates

MIAMI--(BUSINESS WIRE)-- EVI Industries, Inc. (NYSE American: EVI) announced today that it completed its acquisition of Laundry Systems of Tennessee and affiliates on January 31, 2020.

Laundry Systems of Tennessee is a distributor of commercial, industrial, and vended laundry products and a provider of related installation and maintenance services to the new and replacement markets of the commercial laundry industry. This acquisition expands EVI's sales and service presence in the Southeast U.S., which coincides with EVI's strategy to build density in geographic markets to improve customer service and through which EVI may pursue new growth opportunities. To ensure continuity to its customers, employees, and trusted vendor partners, Laundry Systems of Tennessee will operate under its existing name and under the direction of Jeff and Tonya Large, President and Vice President of the Company, respectively.

Henry M. Nahmad, EVI's Chairman and CEO, said: "Jeff and Tonya Large, and their team at Laundry Systems of Tennessee are a well-respected group of laundry professionals and we look forward to working together with them in the pursuit of growth. Their addition to our growing family is yet another valuable step towards building a world-class distribution and service company in the commercial laundry industry."

About EVI Industries

EVI Industries, Inc., through its wholly-owned subsidiaries, is a distributor that generates revenues by selling, leasing or renting, through its extensive sales organization, commercial, industrial and vended laundry, dry-cleaning, and material handling equipment, steam and hot water boilers, water reuse and filtration systems, chemical supplies and related replacement parts and accessories. Additionally, EVI designs, plans, and installs turn-key laundry, dry cleaning, boiler, and water filtration systems and provides maintenance services through its robust technical service organization.

EVI's customers include retail, commercial, industrial, institutional, and government customers. Purchases made by customers range from parts and accessories, to single or multiple units of equipment, to large complex systems, as well as installation and maintenance services. EVI believes that the increase in equipment sales provides a strong foundation for EVI to further strengthen its customer relationships, including that they may in the future result in higher gross margin opportunities from the sale of parts, accessories,

supplies, and technical services related to the equipment.
