Cleartronic, Inc. (CLRI) Comments on Third Quarter Results; Generates \$1,319,152 in Revenue

BOCA RATON, Fla., Aug. 18, 2020 (GLOBE NEWSWIRE) -- Cleartronic, Inc. (CLRI:OTCPINK) released its Third Quarter financial statements on Friday, August 14, 2020. The Company showed continued growth in revenue, gross profit and EBITDA, despite the effects of COVID on the nation's and the world's economy.

"We are very pleased to report these results," said Larry Reid, the Company's Chief Financial Officer. "Even with COVID-19 limited our ability to market to new clients, our revenue and profitability increased, and the use of ReadyOp by our existing clients increased. We made excellent progress since the acquisition of the ReadyOp platform, increasing revenue and profitability while managing our costs. And, we made very good progress in strengthening our Balance Sheet." www.cleartronic.com and www.readyop.com.

The Company [reported revenue for the nine months ended June 30, 2020](#) of \$1,319,152, increased by 58% over the revenue reported for the nine months ended June 30, 2019. Primarily, the revenues increased due to continued growth in licensing of the Company's ReadyOp software. Gross Profit for the nine months increased 52%. And, the Company reported EBITDA of \$200,692 for this nine month period versus a loss of \$182,842 in the same period last year.

"We are very pleased to report these results," said Larry Reid, the Company's Chief Financial Officer. "Even with COVID-19 limited our ability to market to new clients, our revenue and profitability increased, and [the use of ReadyOp](#) by our existing clients increased. We made excellent progress since the acquisition of the ReadyOp platform, increasing revenue and profitability while managing our costs. And, we made very good

progress in strengthening our Balance Sheet.”
