Gaia Announces Emersion 2025: A Convergence of Visionaries Driving Transformation

Held March 15-16 at GaiaSphere in Boulder, Colorado, and Available for Streaming Online, Emersion 2025 Delivers Transformational Insights and Practical Tools to Support Personal and Collective Evolution.

BOULDER, Colo., March 03, 2025 (GLOBE NEWSWIRE) -- **Gaia, Inc. (NASDAQ: GAIA)** ("**Gaia**" and/or the "**Company**"), a conscious media and community company, today announced Emersion 2025, a two-day immersive conference bringing together leading experts in human potential, consciousness, and spiritual evolution. Taking place March 15-16, 2025, at the GaiaSphere Event Center and streaming globally on Gaia.com, this event will provide attendees with transformational insights, experiential practices, and practical tools to elevate personal and collective evolution.

This year's event will feature **renowned speakers, including Darryl Anka (channel for Bashar), Aubrey Marcus, Dr. Espen Wold-Jensen, Veda Austin, and Sarah Breskman Cosme.** Topics will explore the intersection of science and spirituality, consciousness and technology, and ancient wisdom and modern transformation.

Key themes for Emersion 2025 include:

- **Humanity's Evolutionary Path** – Insights into the vibrational shifts shaping our collective future.
- **The Sacred Masculine & Restoring Balance**– Reclaiming harmony through an evolved understanding of masculinity.
- **Quantum Manifestation & Reality Creation** – Leveraging quantum principles to consciously shape personal and collective realities.
- **Navigating AI's Role in Spiritual Evolution** – Examining ethical AI and its implications for the human spirit.

*"Emersion 2025 is more than an event - it's a catalyst for transformation," said **Kiersten Medvedich, President of Gaia.** "Our goal is to provide the audience with not only inspiration but also practical tools that empower real transformation - both personally and collectively."*
