## Torchlight and Metamaterial Execute USD\$500,000 Note

**PLANO, TX and HALIFAX, NS / ACCESSWIRE / December 18, 2020** Torchlight Energy Resources, Inc. (NASDAQ:TRCH), an oil and gas exploration company ("Torchlight") and Metamaterial Inc. ("META") (CSE:MMAT), a developer of high-performance functional materials and nanocomposite products, announced today that, in accordance with the terms of the previously announced business combination transaction (the "Transaction"), Torchlight has loaned USD\$500,000 to META pursuant to an unsecured convertible promissory note (the "META Note"). The META Note is for a 24-month term and bears interest at 8%, with principal and interest due in a lump sum at maturity. If the definitive agreement is terminated, Torchlight will have the right to convert the principal amount of the META Note and all accrued interest thereon into META common shares at \$0.62 (CAD) per common share.

### **About Metamaterial Inc.**

### Forward Looking Information

This release includes forward-looking information within the meaning of Canadian securities laws regarding Metamaterial and its business, which may include, but are not limited to, statements with respect to the terms and anticipated timing of the proposed transaction, the intention to raise equity capital, the potential continued listing on the NASDAQ and the benefits thereof, the disposition of Torchlight's oil and gas assets, the approval of the Transaction by the shareholders of Metamaterial, the business strategies, product development and operational activities of Metamaterial and Torchlight. Often but not always, forward-looking information can be identified by the use of words such as "expect", "intends", "anticipated", "believes" or variations (including negative variations) of such words and phrases, or state that certain actions, events or results "may", "could", "would" or "will" be

taken, occur or be achieved. Such statements are based on the current expectations and views of future events of the management of Metamaterial and are based on assumptions and subject to risks and uncertainties. Although the management of Metamaterial believes that the assumptions underlying these statements are reasonable, they may prove to be incorrect. The forward-looking events and circumstances discussed in this release may not occur and could differ materially as a result of known and unknown risk factors and uncertainties affecting the companies, including risks regarding the ability of the parties to close the proposed transaction, the ability of the parties to raise necessary equity capital, approval of the transaction and continued listing by the NASDAQ, approval of the Canadian Securities Exchange, receipt of shareholder approval and required third party and regulatory consents, the risk that Torchlight may not be able to dispose of its oil and gas assets on favorable terms or at all, risks related to the technology industry, market strategic and operational activities, and management's ability to manage and to operate the business. Although Metamaterial has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended. Accordingly, readers should not place undue reliance on any forward-looking statements or information. No forward-looking statement can be guaranteed. Except as required by applicable securities laws, forward-looking statements speak only as of the date on which they are made and Metamaterial does not undertake any obligation to publicly update or revise any forward looking statement, whether as a result of new information, future events, or otherwise.

While management has based any forward-looking statements included in this release on its current expectations, the information on which such expectations were based

may change. Forward-looking statements involve inherent risks and uncertainties which could cause actual results to differ materially from those in the forward-looking statements as a result of various factors, including those risks and uncertainties described in or implied by the Risk Factors and in Management's Discussion and Analysis of Financial Condition and Results of Operations sections of our 2019 Annual Report on Form 10-K, filed on March 16, 2020 and our other reports filed from time to time with the Securities and Exchange Commission. We urge you to consider those risks and uncertainties in evaluating our forward-looking statements. We caution readers not to place undue reliance upon any such forward-looking statements, which speak only as of the date made. Except as otherwise required by the federal securities laws, we disclaim any obligation or undertaking to publicly release any updates or revisions to any forward-looking statement contained herein (or elsewhere) to reflect any change in our expectations with regard thereto, or any change in events, conditions, or circumstances on which any such statement is based.

#### Additional Information and Where to Find It

Torchlight and META will prepare a proxy statement for Torchlight's stockholders to be filed with the SEC. The proxy statement will be mailed to Torchlight's stockholders. Torchlight and META urge investors, stockholders and other interested persons to read, when available, the proxy statement, as well as other documents filed with the SEC, because these documents will contain important information about the proposed business combination transaction. Such persons can also read Torchlight's Annual Report on Form 10-K for the fiscal year ended December 31, 2019, for a description of the security holdings of its officers and directors and their respective interests as security holders in the consummation of the transactions described herein. Torchlight's definitive proxy statement will be mailed to stockholders of Torchlight as of a record date to be established for voting on the proposed business combination. Torchlight's stockholders will also be able to obtain a copy of such documents, without charge, by directing a request to: John A. Brda, President of Torchlight Energy Resources, Inc., 5700 W. Plano Parkway, Suite 3600, Plano, Texas 75093; e-mail: [john@torchlightenergy.com](mailto:john@torchlightenergy.com). These documents, once available, can also be obtained, without charge, at the SEC's web site (<http://www.sec.gov>).

#### Participants in Solicitation

Torchlight, META and their respective directors, executive officers and other members of their management and employees, under SEC rules, may be deemed to be participants in the solicitation of proxies of Torchlight stockholders in connection with the proposed business combination. Investors and security holders may obtain more detailed information regarding the names, affiliations and interests of Torchlight's directors in its Annual Report on Form 10-K for the fiscal year ended December 31, 2019, which was filed with the SEC on March 16, 2020. Information regarding the persons who may, under SEC rules, be deemed participants in the solicitation of proxies to Torchlight's stockholders in connection with the proposed business combination will be set forth in the proxy statement for the proposed business combination when available. Information concerning the interests of Torchlight's and META's participants in the solicitation, which may, in some cases, be different than those of Torchlight's and META's equity holders generally, will be set forth in the proxy statement relating to the proposed business combination when it becomes available.
