Arotech Corporation Reports Results for the Third Quarter and First Nine Months, 2009

First Nine Months' Revenues Reach Record \$53 Million, up 19% Over 2008 -- Full Year 2009 Expected to Top 2008's Record Results

ANN ARBOR, MI -- (MARKET WIRE) -- 11/11/09 -- Arotech Corporation (NASDAQ: ARTX), a provider of quality defense and security products for the military, law enforcement and security markets, today reported results for the quarter and nine months ended September 30, 2009.

First Nine Months Results

Revenues for the first nine months of 2009 reached \$53.7 million, compared to \$45.1 million for the corresponding period last year, an increase of 19.1% over the same period last year.

Gross profit for the first nine months of 2009 was \$14.4 million, or 26.8% of revenues, compared to \$11.8 million, or 26.2% of revenues, for the corresponding period last year, a 0.6 point increase in the gross margin percentage.

Results for 2009 include a one-time write-down of \$500,000 in respect of Arotech's \$2.5 million senior subordinated convertible note from an unaffiliated company in view of management's opinion that the obligor under the note would seek an extension of the note. This write-down was charged to other income (expense).

"We are pleased with our results thus far this year," noted Arotech Chairman and CEO Robert S. Ehrlich. "While we cannot expect the fourth quarter to match last year's record, which was heavily impacted by a major order from the U.S. Marines that was shipped in the fourth quarter of 2008 and the first quarter of 2009, we believe that we are poised to finish 2009 strongly and to make 2009 Arotech's best year ever," continued Ehrlich. "We look forward to working to continue this improvement in 2010 and beyond," concluded Ehrlich.

Third Quarter Results

Revenues for the third quarter reached \$17.5 million, compared to \$19.2 million for the corresponding period in 2008, a decrease of 8.7% over the same period last year.
