Gaiam Reports Second Quarter Revenue Increases 48% to \$45.4 Million

- Generates 27% Internal Revenue Growth -

BOULDER, Colo.-- Gaiam, Inc. (NASDAQ: GAIA) (“the Company”), a lifestyle media company, today reported improved financial results for the second quarter ended June 30, 2012. Excluding Real Goods Solar, Inc. The increase in revenue reflects internal revenue growth of 26.8%, or \$8.2 million, and a \$6.3 million contribution by Gaiam Vivendi Entertainment, which was acquired on March 28, 2012. Excluding a non-cash unconsolidated equity investment loss of \$0.9 million from RSOL, net loss in the quarter was \$1.2 million, or \$0.05 per diluted share, compared to a net loss of \$3.3 million, or \$0.14 per diluted share, in the same quarter last year.

Lynn Powers, CEO of Gaiam, Inc., commented, “We are pleased with Gaiam’s improved

second quarter financial results, which reflect the progress we are making in positioning the Company as a leading independent distributor for quality media, fitness and wellness products. In addition, Gaiam branded products, such as our Restore line of wellness accessories, are increasingly resonating with consumers and we expect the re-launch of our website later this year with new features and increased functionality will benefit our direct to consumers segment. As a result, we continue to forecast growth over the balance of 2012, including improvements in revenues, operating income, and EBITDA.”

2012 Second Quarter Financial Review (As Compared to 2011 with Real Goods Solar “RSOL” Deconsolidated)

On December 31, 2011, due to the conversion of the Company’s holdings of RSOL Class B common stock to Class A common stock, Gaiam changed the accounting for its 38% ownership in Real Goods Solar, Inc. (“Real Goods Solar”) from a consolidated basis to an equity method (“deconsolidated”). As a result, for 2012, Gaiam’s interest in Real Goods Solar’s net results are reflected as a single line in Gaiam’s financial statements, whereas for 2011 Real Goods Solar’s financial position and results of operations are consolidated into each line of Gaiam’s financial statements. The year-over-year financial comparisons below are stated as if Real Goods Solar was deconsolidated as of January 1, 2011.

Net revenue increased \$14.7 million, or 47.8%, to \$45.4 million in the second quarter ended June 30, 2012. Net revenue for the business segment increased \$14.0 million, or 96.1%, to \$28.5 million, and excluding the acquisition of Vivendi Entertainment, internal revenue growth was 52.8%. The internal growth of the direct to consumer segment was 3.4%, or \$0.5 million, compared to the prior year quarter. The increase in sales in the business segment includes an over 30% aggregate increase in revenue from the Company’s top 25 retail accounts as well as a full quarter of contribution from the operations of Gaiam Vivendi Entertainment, which totaled \$6.3 million. The increase in direct to consumer sales primarily reflects increases in the Company’s direct response marketing business.

Second quarter 2012 gross profit increased to \$28.0 million, or 61.6% of net revenue, from \$17.2 million, or 56.1% of net revenue, during the comparable quarter last year. The 550 basis points increase in gross margin primarily reflects a shift in the sales mix to the higher margin direct response television marketing business, as well as the higher margin Gaiam Vivendi Entertainment business. Gross profit margin in the first half of 2012 increased to 59.4% of net revenue compared to 55.9% in the comparable year-ago period.

Selling and operating expenses improved 710 basis points to 59.2% of net revenue, or \$26.9 million, in the second quarter of 2012, compared to 66.3% of net revenue, or \$20.4 million, in the prior-year period. Included in selling and operating expenses in the 2012 second quarter are certain redundant and one-time expenses attributable to the integration of Gaiam Vivendi Entertainment and \$0.8 million in non-cash amortization expense related to the Gaiam Vivendi Entertainment acquisition with no such similar expense in the prior year period.

Corporate, general and administration expenses improved to 6.7% of net revenue from 7.0% in the prior-year period.

Operating loss was \$2.0 million compared to \$5.3 million in the second quarter of 2011. Adjusted EBITDA increased to \$0.3 million in the second quarter of 2012 from a loss of \$3.9 million in the prior-year period and rose \$6.8 million year over year to \$2.9 million for the first

half of 2012.

Excluding the \$0.9 million non-cash loss resulting from Gaiam's equity investment in Real Good Solar, net loss for the second quarter of 2012 was \$1.2 million, or \$0.05 per diluted share, compared to a net loss of \$3.3 million, or \$0.14 per diluted share, in the prior-year period. Including the loss from Gaiam's equity investment in Real Goods Solar, Gaiam reported a net loss of \$2.1 million, or \$0.09 per diluted share, for the second quarter of 2012. (See Non-GAAP Financial Measurements.)

New Credit Facility

Gaiam also announced that certain of its subsidiaries recently secured a new three year, \$35 million asset-based lending facility from PNC Bank, N.A. The new facility, which will expire in July 2015, replaced a Gaiam \$15 million revolving line of credit that was due to expire in November 2012. The interest rate on the new lending facility is U.S. Prime rate +0.75% or LIBOR +2.25%. Gaiam believes the new credit agreement provides it with the added financial flexibility to continue executing on its growth initiatives and to pursue strategic acquisitions that would be accretive to current operations.

Jirka Rysavy, Chairman of Gaiam, added, "Gaiam's higher than expected internal revenue growth in the first half of 2012 and significant improvement to the bottom line in our seasonally weakest quarter, as well as new management at Real Goods Solar, position us well for the second part of the year."

Following the completion of today's conference call, a replay will be available until August 16, 2012 by dialing 800/633-8284 or 402/977-9140, passcode: 21600769.
