

COMPANY OVERVIEW

Cocrystal Pharma, Inc. is a clinical-stage biotechnology company seeking to discover and develop novel antiviral therapeutics as treatments for serious and/or chronic viral diseases. We employ unique structure-based technologies and Nobel Prize winning expertise to create first- and best-in-class antiviral drugs. These technologies are designed to efficiently deliver small molecule therapeutics that are safe, effective and convenient to administer. We have identified promising preclinical and clinical-stage antiviral therapeutics that target the replication process of influenza virus, norovirus, coronavirus and hepatitis C virus.
