

Company Overview

The Alkaline Water Company Inc. is a premier bottler of alkaline drinking water, with an 8.8-pH balance. The Company has developed an innovative state of the art proprietary electrolysis beverage process that enhances its product with Pink Himalayan Rock Salt and electrolytes to produce water high in alkalinity designed to have a Deliciously Smooth™ taste. The company is focused on the business of distributing and marketing the retail sale of its Alkaline88® water beverage products. The Alkaline88 1-Gallon bottle is the best-selling bulk-sized value-added water in the United States. Alkaline88 products are available for consumer sales in approximately 80,000 retail locations across the country. The Alkaline Water Company Inc. is currently executing its pathway to profitability strategy.
