Volt Consulting Group Awarded Best Recruitment Process Outsourcing Business by Global Recruiter

NEW YORK--(BUSINESS WIRE)--

Volt Information Sciences, Inc. (“Volt” or the “Company”) (NYSE-AMERICAN: VISI) today announced that the Company’s Volt Consulting Group (“VCG”), has been awarded Best Recruitment Process Outsourcing Business of 2019 at The Global Recruiter’s UK Industry Awards. This year marks Global Recruiter’s 10th Annual UK Industry Awards ceremony, which celebrates the success, growth, innovation and achievement of the recruitment industry in the UK region. VCG, an independent managed services provider with a proven 20-year record of helping leading organizations recruit and manage top quality contingent talent, was recognized for its impressive track record and leading position in the industry.

Lori Schultz, Volt’s Chief Operating Officer, commented, “We are extremely proud to be recognized by Global Recruiter for VCG’s achievement in recruitment process outsourcing in the UK region. Our ability to seamlessly integrate with our customers’ existing processes and technology and operate as an extension of their human resources team, has enabled us to consistently hire best-fit, best-in-field talent. On behalf of everyone at VCG, we thank Global Recruiter for this acknowledgement and look forward to continuing to provide solutions that deliver exceptional results and exceed the expectations of our customers.”

About Global Recruiter

Established in 2002, formerly known as Recruitment Consultant Magazine until its November 2011 rebrand, this leading monthly title prides itself on providing balanced journalism, accuracy and news and features for all involved in the business of recruitment from around the world.

About Volt Information Sciences, Inc.

Volt Information Sciences, Inc. is a global provider of staffing services (traditional time and materials-based as well as project-based). Our staffing services consist of workforce solutions that include providing contingent workers, personnel recruitment services, and managed staffing services programs supporting primarily administrative, technical, information technology, light-industrial and engineering positions. Our managed staffing programs involve managing the procurement and on-boarding of contingent workers from multiple providers. Our customer care solutions specialize in serving as an extension of our customers’ consumer relationships and processes including collaborating with customers, from help desk inquiries to advanced technical support. Our complementary businesses offer customer care call centers, customized talent, and supplier management solutions to a diverse client base. Volt services global industries including aerospace, automotive, banking

and finance, consumer electronics, information technology, insurance, life sciences, manufacturing, media and entertainment, pharmaceutical, software, telecommunications, transportation, and utilities. For more information, visit www.volt.com.
