# **MYOS RENS Technology Congratulates the United States Women's National Soccer Team and Team Yolked® Member Carli Lloyd on Winning the 2019 FIFA Women's World Cup**

CEDAR KNOLLS, N.J., July 8, 2019 /PRNewswire/ -- MYOS RENS Technology Inc. ("MYOS" or "the Company") (NASDAQ: MYOS), an advanced nutrition company and the owner of Fortetropin®, a proprietary bioactive composition derived from fertilized egg yolk that helps build lean muscle, enthusiastically congratulates the U.S. Women's World Cup team, along with their co-Captain and member of Team Yolked®, Carli Lloyd, for their spectacular victory in France this past Sunday.

Ms. Lloyd is a two-time Olympic gold medalist, two-time FIFA Women's Player of the Year, three-time Olympian, and now a two-time FIFA Women's World Cup champion in her 4th appearance as a member of the team.

Joseph Mannello, CEO of MYOS, commented, "Carli and Team USA had one the most thrilling World Cup tournaments that I have ever seen. Her career accomplishments continue to amaze soccer fans around the world and she will likely go down as one of the greatest

competitors in the history of the sport.

"Carli possesses an unrelenting drive toward excellence coupled with humility and professionalism. This resonates deeply with the standards we strive for here at MYOS making Carli an excellent ambassador of the Yolked brand; we are pleased to be partnered with her."

### **About Carli Lloyd**

Carli Anne Lloyd is an American soccer player, two-time Olympic gold medalist, FIFA Women's World Cup champion, 2015 FIFA Player of the Year and 2016 FIFA Player of the Year. She currently plays for Sky Blue FC in the NWSL and the United States Women's National Soccer Team. Lloyd became the first person ever to score three goals in a FIFA Women's World Cup final, and the second soccer player in history to score a hat trick in any senior FIFA World Cup Final. She also scored the gold medal-winning goals in the finals of the 2008 Summer Olympics and the 2012 Summer Olympics.

### **About Yolked®**

Yolked® is an *NSF Certified for Sport®* all-natural sports nutrition product designed to work in conjunction with your protein of choice to help your body utilize that protein more efficiently. Its key ingredient, Fortetropin®, is made through a patented process that maintains the vital nutrients of fertilized egg yolks to help build more lean muscle and decrease muscle loss. For more information, please visit [www.yolked.com](http://www.yolked.com).

### **About MYOS RENS Technology Inc.**

MYOS RENS Technology Inc. (MYOS), "The Muscle Company®", is a Cedar Knolls, NJ-based advanced nutrition company that develops and markets products that improve muscle health and performance. MYOS is the owner of Fortetropin®, a fertilized egg yolk-based product manufactured via a proprietary process to retain and optimize its biological activity. Fortetropin has been clinically shown to increase muscle size and lean body mass in conjunction with resistance training. MYOS believes Fortetropin has the potential to redefine existing standards of physical health and wellness. For more information, please visit [www.MYOSRENS.com](http://www.MYOSRENS.com).
