Gaiam Launches Rhythmica - A Cardio Dance Party

NEW YORK, Dec. 5, 2011 /PRNewswire/ -- Gaiam, Inc., a leading distributor of lifestyle media and fitness accessories, today announced the December 6th release of *Rhythmica* – its newest fitness DVD. This innovative cardio dance workout offers variety, while also providing a high calorie burn.

Featuring the hottest music in hip hop, house and Latin, Rhythmica combines results driven workouts with the latest dance techniques to create a truly unique exercise experience. The workout is led by Marc Santa Maria, NYC Crunch fitness instructor, renowned for his edgy and powerful hip-hop and strength-based classes.

"Rhythmica is more like a fun, energizing dance party. You'll forget you're even exercising!" said Marc. "And you can easily take what you learn from the DVD and show it off later that night in a club," he adds.

Rhythmica offers three 20-minute workouts:

- **Get Fit House Party** - Works legs and glutes with real Latin dances and the latest club moves.
- **Latin Dance Mix** - Rooted in Latin dance basics, this segment revs up calorie burn with an international dance party routine.
- **Hip-Hop Fat Burn** - Sculpt arms, abs, and lower body to hip-hop favorites.

"We are thrilled to work with Marc Santa Maria on *Rhythmica*, which offers a fun way to get in shape. At Gaiam, we endeavor to provide a wide variety of exercise methods and we believe that Rhythmica will reach a broad audience looking to make fitness part of their lifestyle," said Bill Sondheim, Gaiam President.

Rhythmica will be available December 6, 2011 at Target stores and wherever DVDs are sold.
