Larry Reid, President of Voicelnterop, stated, "We recently announced our exploration of entry into the red-hot cannabis market. The Cleartronic board of directors has approved the spin-off of Voicelnterop into a separate public company which is the first step in the process."

"We believe that the spin-off will bring significant value to our Cleartronic shareholders," said Reid. "The Cleartronic shareholders will receive a dividend in the form of shares of Voicelnterop."

Reid continued, "Voicelnterop has signed a 'Memorandum of Understanding' with

Bioprocessing Corp., a Florida based distributor of CBD products and extraction equipment used to extract CBD oils from the cannabis plants. This strategic partnership will allow VoiceInterop to enter the retail and wholesale CBD market.”

Reid closed by stating, “We will have additional announcements in the coming weeks outlining our new strategic partnerships and business plan. I look forward to providing all of this exciting news to our current and future shareholders.”

Found throughout the seeds, stalk, and flowers of cannabis plants, including hemp and marijuana, [Cannabidiol, also known as CBD](#), provides numerous positive medical benefits and uses. Continuously, people seek the use of CBD products, which creates a high growth market in cannabidiol consumption.
