

**Charter of the Compensation Committee
of
The Board of Directors
of
Clarus Corporation
(Amended and Restated as of November 8, 2023)**

Membership

The compensation committee (the “Committee”) of the Board of Directors (the “Board”) of Clarus Corporation (the “Company”) shall consist of a minimum of two directors. All members of the Committee shall satisfy the applicable compensation committee independence requirements established from time to time by the NASDAQ Stock Market, LLC, the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Securities and Exchange Commission (the “Commission”). In affirmatively determining the independence of any director who will serve on the Committee, the Board must consider all factors specifically relevant to determining whether a director has a relationship to the Company which is material to that director’s ability to be independent from management in connection with the duties of a Committee member, including, but not limited to:

- (1) the source of compensation of such director, including any consulting, advisory or other compensatory fee paid by the Company to such director; and
- (2) whether such director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company.

Additionally, each member of the Committee must qualify as a “non-employee director” for the purposes of Rule 16b-3 under the Exchange Act, and as an “outside director” for the purposes of Section 162(m) of the Internal Revenue Code, as amended.

The members of the Committee shall be appointed by the Board. The members of the Committee shall be appointed for one-year terms and shall serve for such term or terms as the Board may determine or until earlier resignation or death. The Board may remove any member from the Committee at any time with or without cause.

Purpose

The purpose of the Committee shall be to discharge the Board’s responsibility relating to compensation of the Company’s executives, and to review and approve an annual report on executive compensation for inclusion in the Company’s proxy statement, or if the Company does not file a proxy statement, in the Company’s Annual Report on Form 10-K filed with the Commission, in accordance with applicable rules and regulations.

Duties and Responsibilities

In furtherance of the Committee’s purpose, the Committee shall have the following authority and responsibilities:

- (1) To review and approve corporate goals and objectives with respect to compensation for the Company’s Chief Executive Officer, evaluate the Chief Executive Officer’s performance in light of those goals and objectives, and, either as a committee or together with the other independent directors, determine and approve the Chief Executive Officer’s compensation level based on this evaluation. In

determining the long-term incentive component of the Chief Executive Officer's compensation, the Committee shall consider the Company's performance and relative stockholder return, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to the Company's Chief Executive Officer in past years. In evaluating and determining the compensation of the Company's Chief Executive Officer, the Committee shall consider the results of the most recent stockholder advisory vote on executive compensation ("Say on Pay Vote") required by Section 14A of the Exchange Act.

(2) To review and make recommendations to the Board regarding corporate goals and objectives with respect to compensation for the Company's other executive officers and employees, including evaluating such executives' and employees' performance in light of those goals and objectives, as well as provide general oversight of management's decisions concerning the performance and compensation decisions regarding the Company's other executive officers and employees. In evaluating and making recommendations regarding executive compensation, the Committee shall consider the results of the most recent Say on Pay Vote.

(3) To review, approve and, when appropriate, recommend to the Board for approval, the Company's incentive compensation and other stock-based plans and recommend changes in such plans to the Board as needed. The Committee shall have and shall exercise all the authority of the Board with respect to the administration of such plans. In reviewing and making recommendations regarding incentive compensation plans and equity-based plans, including whether to adopt, amend or terminate any such plans, the Committee shall consider the results of the most recent Say on Pay Vote.

(4) To review and discuss with management the Company's Compensation Discussion and Analysis ("CD&A") and the related compensation information to be included in the proxy statement and Annual Report on Form 10-K and to prepare the Compensation Committee Report regarding the Committee's recommendation that the CD&A be included in such proxy statement and Annual Report, in accordance with the rules and regulations of the Commission.

(5) To review and make recommendations to the Board regarding any employment agreements and any severance arrangements or plans, including any benefits to be provided in connection with a change in control, for the Chief Executive Officer and other executive officers, which includes the ability to adopt, amend and terminate such agreements, arrangements or plans.

(6) To determine stock ownership guidelines for the Chief Executive Officer and other executive officers and monitor compliance with such guidelines.

(7) To review, approve and, when appropriate, recommend to the Board for approval, all employee benefit plans for the Company, which includes the ability to adopt, amend and terminate such plans.

(8) To review the Company's incentive compensation arrangements to determine whether they encourage excessive risk-taking, to review and discuss at least annually the relationship between risk management policies and practices and compensation, and to evaluate compensation policies and practices that could mitigate any such risk.

(9) To review and recommend to the Board for approval the frequency with which the Company will conduct Say on Pay Votes, taking into account the results of the most recent stockholder advisory vote on frequency of Say on Pay Votes required by Section 14A of the Exchange Act, and review and approve the proposals regarding the Say on Pay Vote and the frequency of the Say on Pay Vote to be included in the Company's proxy statement.

(10) To review director compensation for service on the Board and Board committees at least once a year and to recommend any changes to the Board.

(11) To administer the Company's incentive-based compensation clawback policy, review periodically such policy for continued compliance with the requirements of the SEC and Nasdaq listing standards, and make recommendations to the Board from time to time regarding any necessary amendments to such policy.

Delegation of Authority

The Committee shall have the authority to delegate any of its responsibilities to one or more subcommittees as the Committee may deem appropriate in its sole discretion.

Outside Advisors

The Committee shall have the authority, in its sole discretion, to select, retain and obtain the advice of a compensation consultant as necessary to assist with the execution of its duties and responsibilities as set forth in this Charter. The Committee shall set the compensation, and oversee the work, of the compensation consultant. The Committee shall have the authority, in its sole discretion, to retain and obtain the advice and assistance of outside legal counsel and such other advisors as it deems necessary to fulfill its duties and responsibilities under this Charter. The Committee shall set the compensation, and oversee the work, of its outside legal counsel and other advisors. The Committee shall receive appropriate funding from the Company, as determined by the Committee in its capacity as a committee of the Board, for the payment of compensation to its compensation consultants, outside legal counsel and any other advisors. However, the Committee shall not be required to implement or act consistently with the advice or recommendations of its compensation consultant, legal counsel or other advisor to the compensation committee, and the authority granted in this Charter shall not affect the ability or obligation of the Committee to exercise its own judgment in fulfillment of its duties under this Charter.

In retaining or seeking advice from compensation consultants, outside counsel and other advisors (other than the Company's in-house counsel), the Committee must take into consideration the following factors specified in Nasdaq Rule 5605(d)(3): (i) the provision of other services to the Company by the person that employs the compensation consultant, legal counsel or other adviser; (ii) the amount of fees received from the Company by the person that employs the compensation consultant, legal counsel or other adviser, as a percentage of the total revenue of the person that employs the compensation consultant, legal counsel or other adviser; (iii) the policies and procedures of the person that employs the compensation consultant, legal counsel or other adviser that are designed to prevent conflicts of interest; (iv) any business or personal relationship of the compensation consultant, legal counsel or other adviser with a member of the compensation committee; (v) any stock of the Company owned by the compensation consultant, legal counsel or other adviser; and (vi) any business or personal relationship of the compensation consultant, legal counsel, other adviser or the person employing the adviser with an executive officer of the Company.

The Committee may retain, or receive advice from, any compensation advisor they prefer, including ones that are not independent, after considering the specified factors. The Committee is not required to assess the independence of any compensation consultant or other advisor that acts in a role limited to consulting on any broad-based plan that does not discriminate in scope, terms or operation in favor of executive officers or directors and that is generally available to all salaried employees or providing information that is not customized for a particular company or that is customized based on

parameters that are not developed by the consultant or advisor, and about which the consultant or advisor does not provide advice.

The Committee shall evaluate whether any compensation consultant retained or to be retained has any conflict of interest in accordance with Item 407(e)(3)(iv) of Regulation S-K.

Structure and Operations

The Board shall designate a member of the Committee as the chairperson. The Committee shall meet at such times and places as it deems necessary to fulfill its responsibilities. The Committee shall report regularly to the Board regarding its actions and make recommendations to the Board as appropriate. The Committee is governed by the same rules regarding meetings (including meetings in person or by telephone or other similar communications equipment), action without meetings, notice, waiver of notice, and quorum and voting requirements as are applicable to the Board.

The Committee may invite such members of management to its meetings as it deems appropriate. However, the Committee shall meet regularly without such members present, and in all cases the Chief Executive Officer and any other such officers shall not be present at meetings at which their compensation or performance is discussed or determined.

The Committee shall review this Charter at least annually and recommend any proposed changes to the Board for approval.

Performance Evaluation

The Committee shall conduct an annual evaluation of the performance of its duties under this Charter and shall present the results of the evaluation to the Board. The Committee shall conduct this evaluation in such manner as it deems appropriate.
