About Pingtan

Pingtan is a marine enterprises group, engaging in dredging services and ocean fishing through two wholly-owned subsidiaries, China Dredging Group, or CDGC, and Merchant Supreme, and their respective PRC operating subsidiaries, Fujian Xing Gang Port Service Co., Ltd., or Fujian Service, PingTan XingYi Port Service Co., Ltd., or PingTan XingYi and Fujian Provincial Pingtan County Ocean Fishing Group Co., Ltd., or Pingtan Fishing.

Pingtan Fishing primarily engages in ocean fishing with many of its self-owned vessels operating within the Indian Exclusive Economic Zone and the Arafura Sea of Indonesia. Pingtan Fishing is a growing fishing company and provider of high quality seafood in the PRC.

Fujian Service provides specialized dredging services exclusively to the PRC marine infrastructure market and is, based on the number and capacity of the dredging vessels it operates, one of the leading independent (not state-owned) providers of such services in the PRC. Since its inception, it has functioned exclusively as a specialist subcontractor, performing dredging services for other companies licensed to function as general

contractors. PingTan XingYi's Build-Transfer ("BT") strategy, commenced in 2012, is expected to expand the pipeline and provide more control over its projects as it assumes the role of a general contractor.
