

## Company Overview

MariMed Inc. is an industry leader in the design, development, operation, funding and optimization of medical cannabis cultivation and production centers and dispensaries. The MariMed team has developed, state of the art and regulatory compliant facilities in multiple states across the country. These facilities are replicable and scalable model of excellence in horticultural principals, cannabis production, product development and dispensary operations. We are on the forefront of medical research working with physicians and scientists to create precision dosing to treat specific conditions.
