MariMed Kalm Fusion™ Cannabis Infused Popcorn & Powdered Tincture Expand Into Nevada

Kalm Fusion offers pesticide-free, precision-dosed THC and CBD formulations for predictable, consistent results

NEWTON, Mass. and LAS VEGAS, March 12, 2018 (GLOBE NEWSWIRE) -- [MariMed Inc.'s](#) (OTCQB:MRMD) [Kalm](#) Fusion™ brand precision dosed Kalm-Corn cannabis infused popcorn and Kalm Powdered Tincture drink mixes are now available for the first time to state-licensed Nevada dispensaries as part of MariMed's national expansion of its branded products.

MariMed's delicious Kalm Fusion cannabis-infused Kalm-Corn popcorn and Powdered Tincture drink mixes are now available to state-licensed dispensaries in Nevada in addition to Illinois, Delaware, Rhode Island, and Maine, and are expanding to more states soon.

Kalm Powdered Tincture's thirst-quenching drink mixes in refreshing Green Tea Lemonade and Mango Lime Coconut quickly release the magic of THC or CBD into non-infused beverages. Just add to water and enjoy in your preferred THC or CBD refreshing doses.

“[Kalm-Corn](#), a one-of-a-kind all natural cannabis popcorn, and Kalm Powdered Tincture drink mixes allow consumers to have unique options for cannabis consumption, using only the highest quality, pure, pesticide-free cannabis in their preferred THC or CBD formulations,” stated Tim Shaw, MariMed Chief Operating Officer. “Pour the tincture into a water bottle and toss the popcorn in the microwave for fun and convenient ways to enjoy cannabis without smoking, vaping or the additional calories from other cannabis infused edible products. If you don’t see them in your local dispensary, ask for them so they can begin carrying them. By mid-year, we expect to be offering Nevada consumers MariMed’s other convenient-to-use products, including Kalm Fusion sublingual Mari-Melts, Kalm Chewable Tablets, and [Betty’s Eddies](#)™ line of all natural Fruit Chew products.”

Delicious and blissful buttery-tasting, yet butter-free, all natural, low-calorie Kalm-Corn, microwave popcorn is sprinkled with Pink Himalayan salt, known for its mineral and lighter sodium content. Kalm Powdered Tincture’s two thirst-quenching drink mixes in refreshing Green Tea Lemonade and Mango Lime Coconut quickly release the magic of THC or CBD into non-infused beverages. Just add to water and enjoy in 10 or 30 mg THC or 25 mg CBD refreshing doses.

MariMed has an exclusive Nevada licensing agreement for Alternative Medicine Association (AMA) to produce MariMed products using MariMed’s proprietary formulations and processes and the highest quality pesticide free cannabis, and distribute them to all Nevada state licensed cannabis dispensaries. Kalm Fusion products are also available in Illinois, Delaware, Rhode Island and Maine, with expansion to more states in the works. Dispensaries and distributors interested in Kalm Fusion should contact info@mariMedAdvisors.com (all legal states) or brett@amanev.com (NV only).

Forward Looking Statements:

This release contains certain forward-looking statements and information relating to MariMed Inc., that is based on the beliefs of MariMed Inc. management, as well as assumptions made by and information currently available to the Company. Such statements reflect the current views of the Company with respect to future events including estimates and projections about its business based on certain assumptions of its management, including those described in this Release. These statements are not guarantees of future performance and involve risk and uncertainties that are difficult to predict, including, among other factors, changes in demand for the Company's services and products, changes in the economic environment and changes in the legal status of cannabis. Additional risk factors are included in the Company's public filings with the SEC. Should one or more of these underlying assumptions prove incorrect, actual results may vary materially from those described herein as "hoped," "anticipated," "believed," "planned," "estimated," "preparing," "seek," "potential," "expected" or words of a similar nature. The Company does not intend to update these forward-looking statements. None of the content of any of the websites of any other party referred to herein (even if a link is provided for your convenience) is incorporated into this release and the Company assumes no responsibility for any of such content.
