

## 5BARZ INTERNATIONAL, INC. (OTCPINK: BARZ)

5BARz International Inc. ("5BARz" or the "Company") is a technology Company which has designed, manufactures and is commercializing two lines of product which enhance connectivity and functionality for both cellular and WiFi equipped devices.

The first product, the 5BARz® cellular network extender, is a highly engineered, single-piece, plug 'n play device that strengthens weak cellular signals to deliver high quality signals for voice, data and video reception on cell phones and other cellular equipped devices. The 5BARz® cellular extender captures cell signal, amplifies that signal, enhances the quality and redistributes the signal in your home, office or while mobile to produce much improved connectivity for your cellular equipped devices.

More recently, in expanding the Company's participation with Cellular Network operators in India, the Company has developed a product which is a key element in the expansion of broadband to the home in India. The Company has developed a next generation WiFi broadband router and smart home hub, the "ROVR" equipped with the 5BARz® Smart Experience connectivity software and applications, which enable homes to customize their internet experience completely.

5BARz International Inc.'s shares are publicly traded on the OTCBB under the ticker symbol BARZ.
